

OUTDOOR SCULPTURE WALK

October 2022 - September 2023

The Outdoor Sculpture Exhibit is made possible by the Lange Trust of the Sandusky Library. The mission for the Lange Trust is to provide cultural and educational enrichment for residents, free of charge.

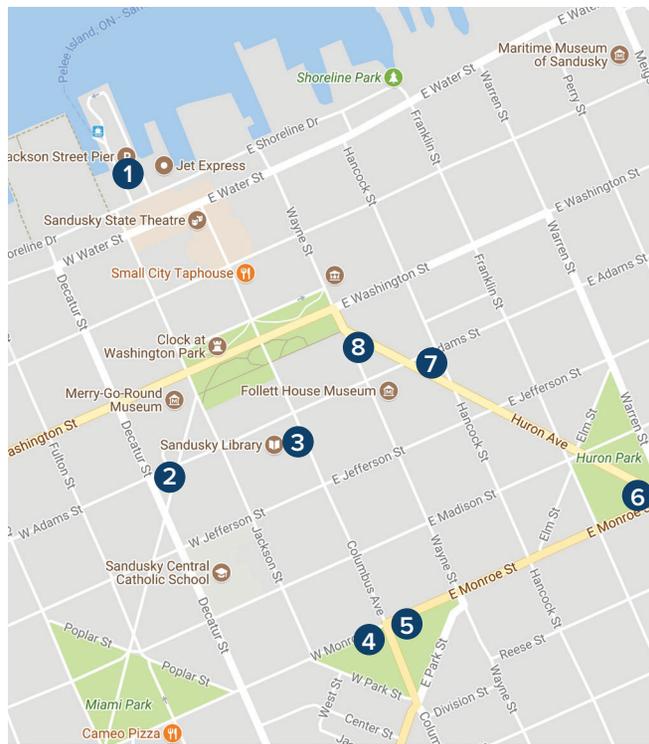

This public art is freely accessible thanks to the partnership with the City of Sandusky, as all eight sculptures are located on city property. A joint committee from the Library and the city's Public Arts and Culture Commission selected the art pieces that will be in place for one year. Ken Thompson, Midwest Sculpture Initiative Director, organized the exhibit, which included the call for artists and the installation.

The sculptures are on loan for one year from the Midwest Sculpture Initiative and are available for purchase.
