Squonk's HAND to HAND show is an outdoor production that encourages shared discovery and participation while it explores the issues of scale and power. This musical spectacle is propelled by a pair of giant hands with the visible rigging of a sailing ship or hot air balloon, and just as big. The four-piece band that accompanies this joyful event will have you smiling.

In case of rain, shows will be in the Adams School Gymnasium • 125 East Adams Street

THIS EVENT IS FUNDED BY THE NORBERT A. LANGE AND MARION CLEVELAND LANGE TRUST FUND.
